

CELANI FAMILY VINEYARDS

**ARDORE
CABERNET SAUVIGNON
2012**

The 2012 Ardore is made from a meticulous selection of just 10 barrels from the most exceptional vineyard sources of Cabernet Sauvignon available. Aged 22 months in 100% new French oak barrels, Ardore is never fined nor filtered. Aromatically intense, this wine delivers super-sexy ripe blackberries, black raspberries, exotic mountain berries, crème de cassis, licorice, and grilled meats. Subtle notes of dark chocolate, roasted hazelnuts, and fresh wildflowers add further compliment. At once seamless, concentrated and decadent, this wine offers up an abundance of candied black cherries, roasted black currants all framed within a matrix of velvety tannins. While delicious now, the 2012 Ardore will age amazingly over the next 25 years.
