

CELANI FAMILY VINEYARDS

Cabernet Sauvignon

Napa Valley

2012

The 2012 Celani Family Vineyard Cabernet Sauvignon is 100% Cabernet Sauvignon, aged 20 months in 90% new French oak barrels, and was neither fined nor filtered. The result is a wine with intense aromas of roasted black fruits, fresh blackcurrants, espresso, blackberries and cream, black cherry followed by hints of black cardamom, licorice and sagebrush. This wine is youthful and sexy showing off a rich plush core of ripe black fruit flavors and nuances of spicy oak. The 2012 Celani Cabernet will drink amazingly over the next 20 years.

Antonio Galloni

Tasted Dec 2014

A dark, explosive wine, the 2012 Cabernet Sauvignon races across the palate with sumptuous dark red and black fruit, new leather, cedar, licorice and tobacco. The 2012 stands out for its density, volume and texture. It can be enjoyed now, but also has enough density to drink well for another decade-plus. This is an unusually rich Cabernet from Stagecoach, but it works. Drink 2015 - 2022
