

2011
CABERNET
SAUVIGNON

The 2011 Celani Family Vineyard Cabernet Sauvignon is 100% Cabernet Sauvignon, aged 20 months in 90% new French oak barrels, and was neither fined nor filtered. This wine is intensely aromatic with huge expressions of ripe blackberries, black raspberries and boysenberry pie. Adding further dimension are the aromas of sun-baked rocks, violet-infused cream, mocha and black currants, with hints of tea box, cinnamon and suede. While still very young, this wine is an extracted concentrated expression of Cabernet. Seamless and lush at the entry, the wine has an expansive mid-palate showing off its abundance of red and black fruit flavors. The intensity of flavors continues through to long lingering finish. The 2011 Celani Cabernet will drink effortlessly over the next 15 years.
