

## CELANI FAMILY VINEYARDS

### Siglo 2013

The 2013 Siglo is made by renowned winemaker Mark Herold from 100% Estate-grown Merlot in the Oak Knoll district of Napa Valley. Aged 10 months in 2-3 year old Darnajou French oak barrels and bottled without fining or filtration. This Merlot is a powerhouse. The wine is dark, deep purple/blue/black in color, with penetrating aromas of ripe exotic berries, loganberries, dusty plums, graphite and black raspberry. Flavors show off great extract and intense Merlot varietal character with hints of mocha.

#### 2013 Vintage Report:

*"Early, even and excellent" are three words being used to describe this year's growing season.*

*A warm, dry spring brought early bud break, helped with canopy vigor and berry size and created ideal conditions for flowering and fruit set under sunny skies. With the exception of one heat spike in late June early July, temperatures were consistently in the zone for optimal vine activity, resulting in notably healthy vines as fruit went through veraison and started ripening.*

*Winemakers from around the valley agree the 2013 vintage holds exceptional promise and potential and exceeded expectations following on the heels of 2012 – another year that has been described as "nearly perfect."*
