The 2013 Tenacious is made of 70% Estate grown Merlot and 30% Stagecoach Vineyard Cabernet Franc, which is barreled-aged for 22 months in 70% new French oak barrels. The result is a wine that is hugely aromatic, with a complex array of ripe black raspberries, black currants in cream, dusty plums, black strawberries and crushed rock. Notes of chocolate and dried wild flowers, give way to nuances of teabox, dried orange rind, and nutmeg. The entry is opulent and seamless, with massive flavors of ripe black cherries, supple tannin textures and a lengthy finish. The 2013 Tenacious will drink effortlessly over the next 15 years.

Celani Family Vineyards is a small, family owned vineyard, producing approximately 4,000 cases of wine annually. There are 17 planted acres on the 20 acre estate. The vineyard was originally planted in the late 90's to Merlot and Chardonnay vines. Because of the great success of our Tenacious Brand, the vineyard has since been grafted over to consist of Merlot and Cabernet Franc. As of the 2011 vintage of Tenacious, this wine is 100% estate grown.
