

Crafted from two distinguished Napa Valley AVA's, Mt. Veeder and Coombsville. The firm, structured elements of the mountain fruit blend beautifully with the concentrated, juicy flavors of the valley fruit.

Expressive aromas and flavors of blueberry pie, mulberries, black cherry, black tea and macaroons unwind from the glass. Notes of roasted almonds, nutmeg, licorice, black cardamom, wild sage and marshmallow add complexity and richness.

The palate is seamless yet concentrated and layered with black and blue fruits complemented by a kiss of sexy French oak. The tannins are firm yet supple making this wine delicious in it's youth and capable of cellaring well over the next 15 years.

2017 CELANI

Cabernet Sauvignon
Napa Valley

Celani Family Vineyards is a small, family owned vineyard, producing approximately 4,000 cases of wine annually. There are 17 planted acres on the 20 acre estate. The vineyard was originally planted in the late 90's to Merlot and Chardonnay vines.
