

The 2021 Celani Family Vineyards Mount Veeder Cabernet Sauvignon is produced from the Lynne's Vineyard and aged in 75% new French oak barrels for 20 months. The Napa side of Mount Veeder is noted for its rugged East facing mountain terrain, where Cabernets express concentration, rich tannins and age ability. The Celani Mount Veeder is all that and more!

This wine is enormously aromatic with an out-pouring of focused red and purple fruits, with black berry pie, black cherries, crushed rock, red currants, pencil lead, plums, and raspberry liqueur. Giving further complexity are notes of milk chocolate, tea box and violets interweaving throughout. Flavors of raspberries, minerals and cherries are velvety lush. Tannins are pronounced but come across as velvety, beautifully showcasing the extraordinary balance of fruit, acid and tannin. Drink this delicious wine over the next 15 years.
